BEAUTIFUL FESTIVE WOMEN LOOKING FOR LOCAL SUPPLICANTS:

We will be in the forest during the intercalary time between the Winter Solstice and the New Year. The BRIGHT ONE will bring blessings to all those who have been well behaved and kept their houses clean.

Wait for the sound of the Wild Hunt upon your roof and then come for our invocation. Ring a bell and hang a star made of birch as a ward against the ugly ones. DO NOT hang a sheet, for the dead will use it as a shroud. Please leave your shoes by the door, a light in the window, and wait for the Schönperchten.
